

DEPARTMENT OF BIOTECHNOLOGY AND
DR. B. C. GUHA CENTRE FOR GENETIC ENGINEERING AND BIOTECHNOLOGY

UNIVERSITY OF CALCUTTA

23rd September, 2021

QUOTATION NOTICE

Ref. No. CU/Juthika-BT/Instrument1/21-22

Sealed quotations are hereby invited from reputed and experienced agencies with all related credentials for supplying the following:

a) BOD Incubator (indigenously made) with the following specifications:

Inside wall made of thick, stainless steel sheet. Outside is made of mild steel sheet. Insulated with glass wool for good temperature stability and painted. Heating coil fitted & amp; suitable ISI make. Compressor temperature will be controlled by a Digital controller. Temperature +10°C to 65°C (temperature accuracy: $\pm 0.5^\circ\text{C}$). A glass door on the inside for looking at the working samples. The front heavy door with gasket should also be highly insulated by glass wool to maintain temperature uniformly. The system will be adjustable with adjustable shelves. Fitted with air circulation fan for maintaining temperature properly in the inner chamber. The system will be fitted with shaker units on inside for keeping 250ml, 500ml or 1000ml flasks with proper clamps with shaking speed of around ~200rpm. Should be supplied with indicating lamps, main cord, plug top etc.

The quotation should be typed and addressed to the undersigned, Department of Biotechnology and Dr. B. C. Guha Centre for Genetic Engineering and Biotechnology and should reach on or before the 4th of October 2021.
